MEETING OF THE JOINT ADVISORY COMMITTEE

Thursday 2 October 2025, 10.30 – 12.30

Council Chamber, NNL Office, Pateley Bridge

AGENDA

Tea and coffee available from 10.15

1. Elections Election for the following roles: a) Chair & Vice Chair b) Council, Parish and Special Interest Group representatives on the JAC Executive c) JAC delegate to the Knabs Ridge Community Fund Steering Group d) JAC delegate to the Greenhow Enhancement Fund		10.30
2. Attendance and notification of substitutes		
3. Declaration of interests		
4. Minutes of the meeting held on 17 July 2025		
5. Matters arising from the minutes		
6. Management Plan – Iain Mann The Management Plan public consultation closes on 1 October. Iain will provide a written report to include those consultation comments received up to the point of issue. This will be augmented by a presentation at the meeting of comments received up to the closing date, alongside proposed responses to the comments and any proposed changes to the draft Management Plan. This will enable the JAC to agree a final version of the Plan to recommend to NYC to adopt.	Written report and presentation	10.45
7. Nidderdale Community Partnership – Richard Bruce Nidderdale Plus are helping to convene a new Nidderdale Community Partnership (NCP). As part of this, the JAC has been offered a place on the NCP's Executive. Richard (in his role as Chair of Nidderdale Plus) will provide an overview of the aims of the NCP and the JAC will then need to decide who will represent them on the NCP Executive.	Verbal report	

8. Boundary Commission – Iain Mann The Local Government Boundary Commission is consulting on revised ward boundaries for some parts of North Yorkshire, which includes significant changes in the Nidderdale, Washburn and Wharfedale areas (see their website). Members will be asked to consider if they wish to respond to this consultation.	Verbal report	
9. NNL Grassland and Curlew Projects Update Joseph Haywood (Grasslands Conservation Delivery Officer) will present the new National Landscape grasslands project, which has already achieved a significant amount of species-rich grassland conservation. Matt Trevelyan (Farming in Protected Landscapes Officer) will provide an update on the Curlew conservation projects that have been running for the last four years, explaining what has been achieved and the challenges that remain.	Presentations	11.45
10. Summary of planning application responses	Written report	12.15
11. Reports from partners		
12. Close of meeting		12.30
